

Toledo Museum of Art Board of Directors reported on TMA 990 Fiscal Year 2024-ending June 30, 2025

Cross-referenced to website board members listed July 2026

Three new board members added July 2026 but not pictured on TMA website, added below

Board members serve 5-year terms according to 2023 press release and the museum's standard board member appointments.

Three new members who were appointed in 2022 resigned in December 2024 but were not replaced until 18 months later, in July of 2026, curiously after the close of fiscal year 2025. Their names will not appear on the TMA IRS 990 until the 2026 990 for year ending June 30, 2027, that will be available to the public in late-Spring, 2028.
